The Noyes Arts Garage of Stockton University is pleased to announce the unveiling of an exciting new art installation on **Friday, December 14, 2018, from 5 – 9pm**. The art installation, *Lucid Dreams*, was created by local artists Heather Deegan Hires and Heather Howley, owner of 209 West, a unique upholstery shop in the Arts Garage. The talented duo collaborated to create this whimsical walkthrough experience consisting of dream-like wall paintings and mixed-media installations. On the night of the unveiling, three models will serve as living canvases for Deegan Hires’ body painting artistry.
